Fly Fishing
Items

Insect Protection

- Used by clothes manufacturers for bug protection
- Spray on, let dry, will last a dozen machine washings
- No need for DEET (has nasty side effects).

Tie-Fast Multi tool

- Makes nail knots, sharpens hooks, clips lines, cleans eyes and can be used as a fish de-hooker.

Mossy Oak® Ultimate Fishing Tool

Making a hoop off the ground

- Use $\frac{1}{2}$ inch tubing, cut 113 inches (for a 3 foot hoop), and attach it to a $\frac{1}{2}$ inch by $\frac{3}{4}$ inch threaded “T”.
Thread a $\frac{3}{4}$ inch connector that will accept a $\frac{3}{4}$ inch PVC tube, Cut the PVC tube to desired height and place it on to a 4 foot $\frac{3}{4}$ inch piece of rebar pounded into the ground.

Making Hoops for Casting Targets

- Use ½ inch poly tubing (50 foot roll: 6.50) and connect with ½ inch connectors (1.00 ea) .
- To make a 2 foot circle you need 75 inches of tubing, 3 foot you need 113 inches

One 50 foot roll will make five 2 foot diameter hoops and three 3 foot hoops for a total cost of 20 dollars

Casting Hoops on Demand

- 2 foot hoop – \$1.50
or 3 for 4 bucks
- 3 foot hoop - \$1.75
or 3 for 5 bucks

All proceeds go to raffle account
